INSTRUCTIONS

TYPE OR PRINT NEATLY IN BLACK INK.

Used oil fuel marketing is addressed in Utah Standards for the Management of Used Oil, R315-15.

This form shall be used to apply to the Utah Division of Solid and Hazardous Waste for a registration to act as a fuel marketer of used oil within Utah.

This form must be signed by the company owner, or the designated representative.

A one-time registration fee of \$50 AND an annual used oil handler certificate fee of \$50 is required and must be attached with each registration application. The annual used oil handler certificate fee is valid only for the calendar year and must be renewed in December of each year.

The owner or operator of the registered facility shall notify the Division of Solid and Hazardous Waste in writing of any changes in the information submitted on the registration within 20 days of the change.

A registered used oil fuel marketer shall maintain a complete record of all analyses and transactions, documented by reproducible receipts for three years; and, upon request, make available to the Division for inspection or photocopying, all applicable analysis, records, and receipts for purposes of review and audit.

DEFINITIONS

! **USED OIL FUEL MARKETER** - means any person who: (a) directs a shipment of off-specification used oil from its facility to a used oil burner; or (b) first claims the used oil to be burned for energy recovery meets the used oil fuel specifications of 40 CFR 279, Standards for the Management of Used Oil, except when the oil is to be burned in accordance with rules for on-site burning in space heaters in accordance with 40 CFR 279.

INSTRUCTIONS FOR USED OIL FUEL MARKETER

1. Complete name of company registering.
2. Owner of the company being registered.
3. Company representative for the State to contact.
